Vision
St. Louis the King Catholic School provides a Gospel-centered environment where students can
grow in their faith and be challenged intellectually. While recognizing parents as their child’s
primary educator, the faculty are committed in preparing students for the demands of an ever-
changing world. We strive to develop student self-discipline skills and recognize the unique
talents God has given each child. We model and teach Catholic doctrine and values by providing
students opportunities for prayer, worship, and service to others in our Church and society.

Mission Statement
St. Louis the King Catholic School provides a high-quality education in a caring, Gospel-centered
environment.

Philosophy
Our Pre-Kindergarten program strives to provide a faith-based environment where children can
grow into the person God has created them to be. Diocesan Curriculum Standards are designed
for children to be actively involved in the learning process and be provided a variety of
developmentally appropriate activities. The educational goal is for children to foster a love for
learning, possess an attitude of inquiry and discovery, and build a sense of confidence in his/her
ability to master new situations/tasks. Student personality and emotional growth is important.
Children are taught verbal labels for feelings and are helped to explore these feelings in group
discussions and with their teachers. The Pre-Kindergarten program is designed to provide
students with opportunities for personal accomplishment to enhance his/her self-esteem.
Carefully planned and supervised physical activities assure proper development of fine and gross
motor skills as well as build strength and coordination. The development of student social skills
is emphasized throughout the Pre-Kindergarten program.

Program Description:

potential through lessons of academic enrichment, interpersonal relationships, and faith
formation. Pre-Kindergarten is designed to provide developmentally appropriate social,

Our program is affordable and serves families from all income levels. St. Louis the King Catholic School participates in the state funded childcare subsidies for families (DES) and supports families through community collaboration. Information is provided for parents on the Classroom Communication Board and in the Pre-Kindergarten Weekly Newsletter. Daily behavior sheets will be sent home at the end of each school day with the child.

**Family Events**

A parent may request and schedule a conference at any time with the teacher.

**Parent Visits** – We hope you take the opportunity to talk to the administrator and teacher about your child’s daily activity. If you would like to share a particular talent, have access to needed supplies or resources, or have suggestions, please let the administrator or teacher know.

A review of the Parent/Student Pre-Kindergarten Handbook will also provide a good overview of the Pre-Kindergarten program. In addition, a parent may visit the school, request a conference with the Pre-Kindergarten teacher, or call the administrator at 623-939-4260 for more information.
**Transitioning**

**New to Pre-Kindergarten:** Transitioning into school for the first time can be a difficult process for some children. We believe communication is the best way to help the child/parent/teacher meet the needs of each other during this new and exciting time. After saying good-bye to the child, we ask the parent to remind the child he/she (or whomever will be picking up the child) will be back at dismissal.

**Going to Kindergarten:** The process for transitioning to kindergarten is a yearlong process, which include reading books, talking about feelings, and working on building self-independent skills (ex. opening own lunch box). We work with the child and the parent to make sure the child is ready for this transition.

**Leaving the School:** By providing us a 30 day notice that your child will be leaving Pre-Kindergarten, we will be able to ensure there is closure for the child and their classmates. We will prepare a “Good-Bye Book” to go along with the child’s portfolio.

**School Uniform (please refer to SLK School’s Parent/Student Handbook for specific uniform requirements)**

Children are to arrive each day in the appropriate St. Louis the King Catholic School uniform. Play can be messy or accidents can occur so please provide a complete set of clothes (shirt, shorts/pants, socks, and underwear). The school reserves the right to contact the parent for pick up if the child requires an extra change of clothes if none are available. To protect feet during play, children must wear shoes that cover both the toe and heel, i.e. athletic shoes. Children may not wear sandals or open toed shoes at any time.

**Absences**

Please contact the office at **(623) 939-4260** by **8:30 am** if your child will be absent from school. Your tuition pays for direct operating costs, (i.e. staff, snacks, materials, etc.) which are available to your child for each day they are enrolled. When you enroll, you are reserving the time, space, staffing, and provisions for your child whether they attend or not. There are no deductions of fees for absences or vacations.

staff. According to Department of Health Services (AZDHS) standards, meals must consist of the following:

Parents will be notified or advised of any meals that do not meet the AZDHS nutritional standards. A nutritious breakfast is recommended prior to attending school.

*Parents/children who wish to bring food to school to share, (i.e. birthday) need to check with the teacher before doing so. All food must be store bought.*

**Food Substitutions**

Parents need to indicate on the Department of Health Services Emergency Information card if their child has any dietary challenges. The school will make every effort to accommodate food allergies, but cannot always provide substitutions; parents are responsible for providing snacks along with lunch that meets their child’s dietary needs.

**Extended Care Program:**

Students arriving prior to 7:30 am or remaining after school must sign into the Extended Care Program. Parents who utilize the Extended Care Program are billed $3.25 per hour per child. Children who arrive after 7:30 am, but before 7:45 am are not charged, but must still report to the Extended Care Program and remain there until all students are released to their classrooms. For a more complete understanding of our Extended Care Program, please refer to our Extended Care Handbook located on the school’s website at [www.sjkschool.com](http://www.sjkschool.com).

**Medication**

According to the AZDHS, children CANNOT administer or store their own medication. Please make arrangements to give your child any medications he/she may need before coming to school. In order for prescription medication to be given during school, a signed medication form is required. These forms are available in the school office. All prescription and non-prescription medication must be brought to the school office by the parent or guardian, in the original container.

**Sick Children**

Please call the school office if your child is sick and will be absent from school. If your child has been diagnosed with a communicable disease, please let the school office or the teacher know. Children who show the following signs/symptoms may not attend school for the first 24 hours or until the symptoms have disappeared. A written doctor’s note must be provided to the school office indicating the child is no longer contagious and is able to return to school.

The signs/symptoms include, but are not limited to:

- Fever greater than 101 degrees
- Severe coughing - child gets red or blue in the face.
- High pitched croupy or whooping sounds after coughing.
- Difficult or rapid breathing.
- Yellowish skin or eyes.
• Pink eye – tears, redness of eyelid lining, followed by swelling and discharge of pus.
• Unusual spots or rashes.
• Sore throat or trouble swallowing.
• Infected skin patches.
• Earache.
• Lice/nits or any other infestation.
• Crusty, bright yellow, dry, or gummy areas of skin – possibly accompanied by fever.

• Headache and stiff neck.
• Vomiting.
• Severe itching of body or scalp or scratching of scalp.
• Not feeling well enough to participate in the day’s activities.

Our school maintains a communicable disease log and has access on how to manage a communicable disease outbreak. If a child becomes sick during the school day, the school office will contact the parent or the emergency contact to pick the child up. It is expected that the child will be picked up immediately.

Consistently bringing a child to school ill and/or not picking the child up when called, may result in termination of enrollment.

Accidents
If your child has an accident and becomes injured, the teacher or school office staff will administer First Aid and/or CPR and call 911 if necessary. Parents will be contacted by phone for serious injuries. All injuries will be documented on an Incident Report and parents will receive a copy. In the event that a child must be taken to a hospital/medical facility, a school staff member will accompany the child if the parent cannot make it to the site (parent will be notified as to where the child will be taken). It is the responsibility of the parent or legal guardian to provide health/accident insurance for their child while participating in all school activities. St. Louis the King Catholic School does not provide health/accident insurance for children in child care programs. St. Louis the King Catholic School meets current state childcare licensing standards for liability insurance. Affordable health insurance for children in Arizona is now available through the “Kids Care” program, which is administered by the Arizona Health Care Cost Containment System (AHCCCS). If you do not have health insurance for your child, please call the Kids Care hotline at 1-877-764-KIDS (5437) or (602) 417-5437 to receive information and an application.

Physical Activity
Children will participate in at least 60 minutes of physical activity each day through structured games, music with movements, and a minimum of 60 minutes of unstructured play.

- Contribute to the learning environment.
- Follow all school rules and classroom procedures.

- Redirecting potential problems by offering appropriate choices.
- Enforcing limits with a related consequence.
- Helping children to problem solve.

**Student Behavior:**
In the event discipline strategies are ineffective in modifying student behavior(s), suspension may result.

*St. Louis the King Catholic School reserves the right to suspend/disenroll any child whose actions interfere with the quality of the Pre-Kindergarten program or are harmful to the emotional or physical well-being of other children in the program. In the case of physical contact by a child, it can result in an automatic suspension from school.*
