Free and Reduced-Price Policy Statement

Revised June 2019

Introduction

In accordance with 7 CFR 245.10, each School Food Authority (SFA) participating in the National School Lunch Program (NSLP), School Breakfast Program (SBP), and/or the Special Milk Program (SMP) with the free milk option must have an approved free and reduced-price policy statement on file with the Arizona Department of Education (ADE) that accurately describes its current free and reduced-price policies. SFAs just beginning participation in the NSLP, SBP, or SMP must submit their policy statement to ADE for review as part of the new SFA application process. The policy statement becomes a permanent document but must be amended when the SFA makes a substantive change to its free and reduced-price policy. Amendments must be submitted for review by ADE by October 15 each year.
